I urge upon prospective buyers that they allow me to demonstrate the many superb qualities of this car. One of these appealing qualities is that one gallon of gasoline will drive this car over ordinary road twenty to twenty-five miles.

Look at Your Table Expenses

after you have used our meats awhile. It will surprise you to find them considerably less than formerly. Yet you have enjoyed finer meats than ever before. The reason is simple. Our meats are so good that every ounce of them is eaten. There is, therefore, no waste, and the stoppage of waste is saving. The best is the cheapest.

NEW HOPE

New Hope, May 22.—Many are the hearts that are glad this morning to see these refreshing showers to liven up the parching vegetation. Hope these showers will be continued for awhile, as the farmers were in a gloomy state, not knowing just what to do.

The Children's Day exercises at New Hope was an enjoyable event. A large crowd attended and everybody enjoyed the time, had dinner on ground in spite of the dry times had a bountiful dinner. A song service was held in the afternoon, conducted by Mr. Justus. The Children's Day program was well rendered by the children and teachers and all deserve much credit and honor. The program this year was especially pretty, as it was a missionary program, the decorations and all were fixed to represent the king's garden, which was very pretty.

Miss May Calvert of Jonesville spent the week-end with Miss Sara Hughes.

A good number attended the graduating exercises at Jonesville last Thursday and Friday. Everybody enjoyed seeing and hearing the governor for it was quite an honor to have him with them on that occasion. We all hope we can have the pleasure of having him again with us in Jonesville.

JONESVILLE

Jonesville, May 23.—We had Gov. Manning in Jonesville last Friday. He came to make the address to the graduating class of the high school. The governor came up on the morning train, which gave him an hour to mix with the large crowd that had gathered here to meet him and he met and formed many acquaintances. The governor was introduced to the audience by Rev. Lewis M. Rice of Union, who came up to take in the occasion and he was in a happy mood in presenting Governor Manning to the audience. The governor by special invitation of Mr. George Brown dined at the hotel and after dinner he motored to Pacolet, where he was to address the graduating class of the school there.

Saturday several men from Jonesville motored over to Charlotte to see President Wilson and hear him speak. They made the run, 85 miles, in four hours. They spent about ten hours in Charlotte and returned by 10 o'clock in the evening. My grandfather Harris used to do business in Charlotte before there were any railroads in this country and it took him a whole week to make the round trip.

Capt. F. M. Farr, Messrs. J. Cohen, Will Sartor and B. Alston of Union came up Friday to hear Governor Manning speak.

Rev. and Mrs. Copeland of Kelton came to hear Governor Manning Friday.

The Ladies' Missionary society of this section held a meeting in the Baptist church here Sunday. Several interesting papers were read before the meeting. At 12 o'clock there was a recess of an hour when a fine dinner was served in the grove.

Monday, the long looked for and much needed rain came and watered the dry earth, which is a great blessing to poor humanity. The rain continued all Monday evening and night with heavy showers, which will no doubt put the creeks and rivers out of their banks and do much harm to the bottom lands.

Rev. W. S. Porter attended the meeting of the general assembly of the Presbyterian church in Florida last week.

ELFORD GROVE.

Elford Grove, May 22.—The weather has been very dry but today looks like we are going to have plenty of rain.

There was a large crowd out to hear Rev. Mr. Thrasher last Sunday and he certainly preached a fine sermon and everybody enjoyed it. Our path school continues improving. We have 74 on the roll now and 100 one takes a part in building it.

Mr. Church Cook played his cornet Sunday and he did fine. He will play it every Sunday as we haven't an organ at this place, but are going to try and get one soon.

Mr. Monroe Horne of Jonesville visited relatives in this community Sunday and attended Sunday school.

Mr. Eugene Kirby and Mr. Culp Garner of Cherokee were visitors at Elford Sunday.

Mr. Ben Horne and son Bennie, Joe and Victor Horne visited relatives in this community Saturday and Sunday.

Mr. and Mrs. M. S. Coleman and daughter of Brown's Creek section visited relatives in this community Sunday.

Mr. Herbert Fowler of Elford, Mr. and Mrs. W. M. Horne of Jonesville and Mrs. Monroe Horne went to Spartanburg Sunday to see relatives. They made their trip in Mr. Horne's car.

Mr. W. T. Hodge and Dr. Charley Jeffries of Gaffney were the guests of Mr. and Mrs. Darby Horne Sunday.

Rev. Mr. Thrasher was the guest of Mr. and Mrs. J. G. Garner Sunday. The health in this community is very good at present. There are some few colds around yet.

Everybody is invited to attend our Sunday school at Elford. Come and bring the children. We welcome one and all.

Rev. Mr. Rice, we would be glad to have you with us any time.

HIGH COST OF NEWSPAPER

(Cleveland Star)

The price of paper has not yet reached its high water mark and the famine is quite severe. The Star uses a little over a ton of news print a month and the price has jumped within the last 90 days from \$50 to \$75 per ton, which adds \$25 a month to our pay roll with no way yet provided to get it back. We are doing our best to get the subscription price down, but we cannot run without hedging this expense somehow or other. A letter just received from the Richmond Times-Dispatch says The Star has been taken off the exchange list because of the famine, and where papers have been extending each other the courtesy or an even exchange, this courtesy is withdrawn and one paper must pay for the paper just as a subscriber is required to do.

EQUALLY EFFECTIVE

"My daughter cannot exist without at least three servants," said the proud mother to her future son-in-law.

"Leave that to me," answered the young man.

"But will you be able to provide them for her?"

"No but I will be able to prove conclusively that she can exist with only one."

Has Faith in Remedy

Mrs. H. S. Carlson of Wakefield, Nebr., testifies to the relief she experienced from the use of Fruitola and Traxo:

"I used Fruitola and Traxo with very good results, having passed almost a cupful of gall-stones with the first bottle. My skin is clear now, and I have a good appetite. I have lots of faith in Fruitola and Traxo."

Fruitola is a powerful lubricant for the intestinal organs, softening the hardened particles that cause so much suffering and expelling the congested waste in an easy, natural manner. A single dose is usually sufficient to clearly indicate its efficacy. Traxo is a splendid tonic-alterative that acts on the liver and kidneys, stimulates the flow of gastric juices to aid digestion and removes bile from the general circulation.

For the convenience of the public, arrangements have been made to supply Fruitola and Traxo through representative druggists. In Union they can be obtained at Milhous Drug Co.
